

Inspire. Dream. Achieve.

Selecting a school is an exciting and important process. The early education years are among the most important for establishing a strong education foundation and exceptional student skills.

Why Independence?

- An unparalleled English/Language Arts curriculum.
- **92% of 2019 8<sup>th</sup> graders** achieved **above average scores** on a national writing assessment. **33% scored at the highest possible level.**
- **Leveled Academic Placement** accommodates on- and above-grade level learners in math, English, and science.
- Unique **Learning Applications curriculum (LeApps™)** provides organizational skills, study strategies, and an understanding of learning and the brain.
- **100% of the Class of 2019** were admitted to a top-choice high school, many earning scholarships
- Among recent alumni are a **Jefferson Award** winner, a **perfect ACT** scorer, recruited **college athletes**, and more!
- A peer group of motivated, well-rounded students and a diverse, welcoming environment, all on a beautiful 90-acre campus.
